HIGHTIDE overseas dept.

MATERIAL: COW SKIN

Black: Himeji leather

Himeji leather is a sort of smooth and tough leather tanned in Himeji City, Hyogo Prefecture in Japan which has a long history as producing district of genuine leather material.

Beige: Italian leather

High-quality leather by Fonpelli, an Italian company founded in 1984, known for its excellent softness and durability. This is shrink leather with fine grains, a semi-gloss natural finish, soft and rounded feeling.
